We are a domiciliary care provider, providing services across Leicestershire and Warwickshire; with an established set-up for their new branch within a successful and ever-growing business operation. Recently registered as a CQC provider for adult care provision, the exceptional opportunity for a Care Worker has arisen.

The successful applicant will demonstrate a true passion for care, being required to complete in depth and ongoing training to ensure they're compliant with current legislation for provision of registered activity within the care sector and that we are providing the highest standards of care possible.

This role involves an impeccable rapport building element, consistently developing and maintaining working relationships to uphold the company reputation. Requiring flexibility and understanding to ensure the highest standards are preserved. Daily duties will include, but are not limited to providing;

- meal preparation, personal care, medication administration, domestic
- cleaning, shopping, community
- engagement, chaperoning
- appointments,
- transportation, liaising
- with health care professionals, record keeping and
- communication with the management team.
